Del Pacifico

SEAFOODS

Our company was founded in 2014 in Hermosa Beach, CA and we specialize in the distribution of sustainable blue shrimp caught in the Sea of Cortes by artisanal fishermen. We supply to restaurants and supermarkets in the US and Mexico shrimp that is processed a few hours after capture without the use of any chemicals and following the highest international standards.

Currently, we were the first Wild Caught Shrimp in supply chain to be certified by FAIR TRADE USA, and are recommended by Seafood watch as Good alternative.

PREMIUM QUALITY

Our shrimp comes from day-boats and is immediately processed, preserving the shrimp's great flavor and texture.

MAKING THE DIFFERENCE

Our boats are powered by sails that use the wind and tide to drift a highly selective net, making it one of the most sustainable fisheries in the world.

WILD PACIFIC MEXICAN SHRIMP

Del Pacifico shrimp comes from the northern part of Sinaloa state on the Pacific coast, birthplace of the Suripera fishery.

SUPPORTING FISHING COMMUNITIES

Del Pacifico supports fishing communities by paying a premium to fishermen which is used to implement environmental and community projects.

BLUE SWEET SHRIMP

The unique flavor of blue shrimp has made it a favorite among top chefs and industry experts.

SEAFOOD WATCH YELLOW

Monterey Bay Aquarium recently gave yellow rating to Del Pacifico shrimp meaning "Good Alternative".
